

LITTLE MURDER ACTIVITIES

Read the short story LITTLE MURDER MATHS

What would you do if your favourite toy was murdered? How would you catch a killer? How do you think the Mathematician came to life?

Draw the Mathematician

Act out the code cracking scene with a friend. Start on page six with “Close the door.” Swap characters.

Build a toy box. Find cardboard, scissors, tape, and anything you need to make it awesome. Put stuff in it.

Add up every number in the story

Write a murder mystery
